## Looking for just the right book for your child?

Find it quickly and easily at Through the Magic Door™

- Sophisticated search capabilities to quickly find great books that match your child's interests (from infants through teens)
- Suggestions for reluctant readers, avid readers, and everything in between
- Find what other parents, teachers, and librarians recommend
- In-depth reviews and summaries of selected books, complete with suggestions for discussion topics and activities

## What else can you do at Through the Magic Door™?

### Parents

- Discuss books and reading strategies with other interested parents
- Create a wish list of books your child would like to own; share the list with friends and family
- Build your child's library by having a carefully chosen book delivered to your child on a regular basis
- Know in advance whether there might be issues of language, content, etc. that you might want to be aware of (Red Flag section of the reviews)

### Teachers

- Communicate with other teachers via the Teachers' Bulletin Board
- Share successful lesson plans and activities
- Register for books you would like to have in your classroom
- Find books on particular topics (countries, historical periods, behavior, etc.)

### Librarians

- Use our in-depth reviews and summaries to help select and purchase books for your library
- Identify books supporting curriculum goals
- Share your ideas, questions, and expertise with our community of readers
- Identify books supporting value-based teaching
- Create a wish list of books you would like to have in your library
